Dear Carole:

Thank you for the courtesies extended to Barbara Knopp and me during our recent visit to the Practical Nursing program at Richmond Community College. Enclosed is the report of the survey visit. Please read the report carefully. If you identify errors in fact, please advise me. Since there were no Recommendations, the Practical Nursing program at Richmond Community College has been continued on Full Approval status. The approval will be reported to the full Board at the January 21, 2011 meeting as a FYI. The approval will also be published in the next issue of the *Bulletin*. It is necessary to acknowledge written receipt of the survey. Please do so by November 5, 2010.

If I can be of further assistance, please do not hesitate to write or call me.

Sincerely,

A handwritten signature in black ink that reads "Crystal Harris". The signature is fluid and cursive.
