Step One: After the UNC Data Dashboard opens, scroll down the page to “Transfer Students” and click on it.

The screenshot shows the UNC Data Dashboard homepage. At the top, there's a navigation bar with links like 'Data User Interface', 'Informer Reports', 'Hamlet, NC Comm...', 'ec2-54-175-138...', and 'WebAdvisor'. Below this, a brief description of the dashboard is provided. The main area features several category buttons: 'ENROLLMENT', 'STUDENT SUCCESS', 'TRANSFER STUDENTS' (circled in black), 'RESEARCH & DEVELOPMENT', 'DEGREES', and 'EDUCATOR QUALITY'. Each button has a brief description of the data it provides and a link to a 'Detailed Dashboard view'.

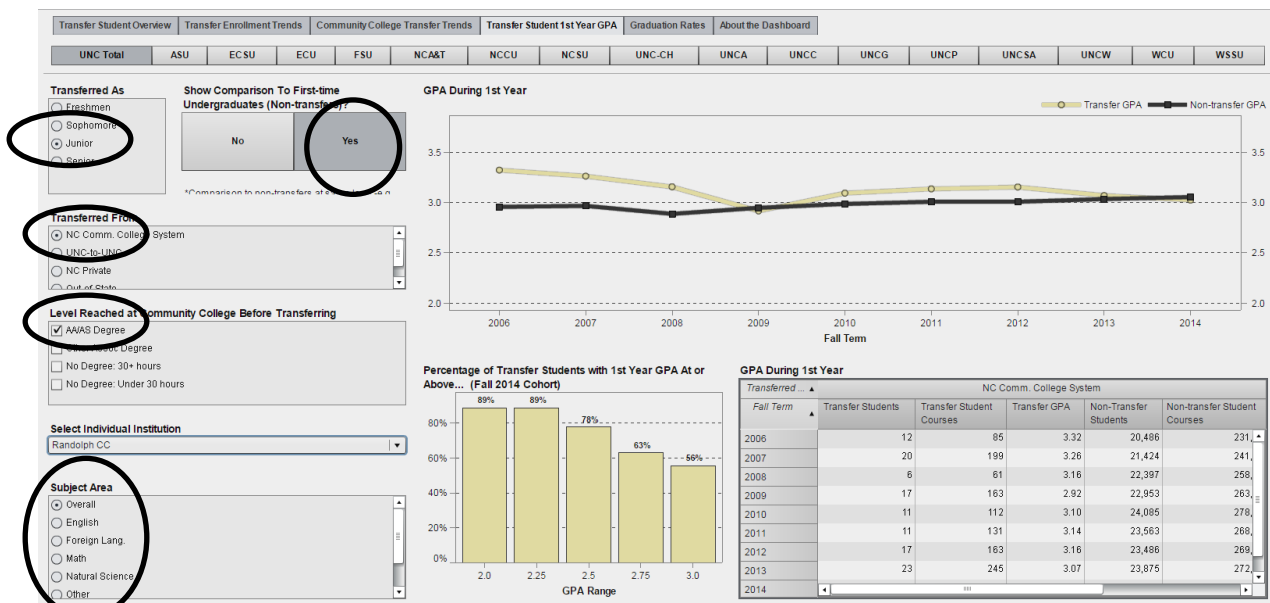

Step Two: Click on the “Community College Transfer Trends” tab.

Step Three: Select “Individual College” and when the college list populates, select “RichmondCC”. The transfer numbers will populate in the chart and is also color coded by type of transfer student. You can narrow down the number of students by selecting the appropriate transfer school.

Step Four: “Transfer Student 1st Year GPA” If you select this tab, you can compare various transfer students from RichmondCC with native students to the UNC system. For AA and AS programs, select “Junior” as the transferred, AA/AS, and Richmond Community College as the transfer school. If you want to compare RichmondCC students to native students of UNC system, click on the “Yes” box. The GPA comes up as a default as “Overall”, however you can select the class types to see how students did in particular subject matters such as Math, Social Sciences, etc. The results populate in the three charts/graphs.

Part Five: When you click on the tab “Graduation Rates” you will be able to see how RichmondCC transfer students related to graduation. By selecting the following in this page will get you the most information: Transferred as “Junior”; “Yes” for Show Comparison to First-time Undergraduates; “NC Community College” as Transferred from; “AA/AS Degree” as Level reached at community college; and “Richmond CC” as transfer institution. You can also narrow down graduation rates by selecting specific UNC schools at the top. The data will populate in the charts and graphs on the right side of the screen.
